Summary

I am an MSc Business Analytics candidate at Esade, combining a passion for solving problems with data with proven leadership experience as Chairman of Sefa and the Amsterdam Career Days. I am currently looking for Summer Internships starting July 2026 in strategy, analytics, or related fields.

Experience

Study Association Sefa

Chairman of the Executive Board

July 2024 - June 2025 (1 year)

Amsterdam, North Holland, Netherlands

- Chaired a full-time Executive Board of 8 members, overseeing strategy, operations, and finances.
- Represented and grew one of Europe's largest study associations with 7,000 members.
- Directed 35+ committees and 400 active members, ensuring smooth cooperation and accountability.
- Led 125+ annual events, including flagship initiatives such as the Amsterdam Career Days, International Study Trips, Amsterdam Case Competition, and TEDx, driving record student engagement.

Room for Discussion

Supervisor

July 2024 - June 2025 (1 year)

Amsterdam, North Holland, Netherlands

- Netherlands' largest student-run interview platform, hosting conversations with leaders in business, politics, and academia.

Amsterdam Career Days

Chairman

March 2023 - March 2024 (1 year 1 month)

Amsterdam, North Holland, Netherlands

- Led a team of 8 students to plan and manage the Netherlands' largest career event.
- Attracted around 2,000 participants and secured 85+ leading companies.
- Coordinated a 20-person operations team during the 5-day event, delivering 150+ career activities including case studies, interviews, and networking dinners.
