María Angélica Mora Zamora

MSc in Business Analytics at ESADE
España

Experiencia

Escuela de Psicología UC (oficial)

3 años 10 meses

Research assistant - Social psychology lab

octubre de 2022 - mayo de 2024 (1 año 8 meses)

- Conducted advanced data analysis using R, SQL, Python, and SPSS, delivering insights that informed strategic decisions across 3 Fondecyt-funded research projects.
- Drafted scientific papers, supported new grant proposals, and compiled progress and ethics reports ensuring compliance and timely advancement.
- Presented research findings to academic audiences, translating complex results into clear, actionable insights.
- Designed detailed reports and data visualizations that were showcased at international academic conferences.
- Oversaw financial reporting of Fondecyt budget, achieving full documentation approval in the first audit cycle.

Lab manager and research assistant - Social psychology research team
agosto de 2020 - septiembre de 2022 (2 años 2 meses)

- Led and coordinated a team of 15 research assistants, assigning tasks, tracking progress, and securing 100% of deliverables on time.
- Facilitated weekly team meetings to align priorities, resolve bottlenecks, and improve decision-making across research projects.
- Co-authored a book chapter by integrating theoretical frameworks and empirical findings from ongoing research.
- Contributed to data analysis, literature reviews, and grant writing, helping secure funding for new research initiatives.

Centro de Medición MIDE UC

Research assistant - Professional internship

agosto de 2022 - diciembre de 2022 (5 meses)

- Processed complex datasets and generated graphs, one of which was showcased at ISPP Annual Meeting; also synthesized academic literature for publications.

- Identified inefficiencies in R/Python scripts and implemented solutions that enhanced readability and reduced processing time.
- Created a data-driven proposal supporting a strategic shift at MIDE Organizaciones and pitched it to the Executive Committee.
- Prepared and submitted ethics documentation and obtained timely approval for project renewals and amendments.
