Sean Hoet

Exploring Value Engineer & Tech Sales Opportunities | MSc of
Business Analytics at ESADE
Barcelona, Catalonia, Spain

Summary

Driven by a passion for bridging cultures and connecting people.
Now I'm applying new skills in data analytics (Python, SQL) to build
better and longer lasting working relationships

Interested in: Value Engineer | Solution Architect | Tech Sales

Experience

Global Payments Inc.
Capstone Analyst
February 2026 - Present (3 months)
Barcelona, Catalonia, Spain

Fraud detection capstone with Comercia Global Payments: a CaixaBank and
Global Payments joint venture and Spain's largest acquiring network.

The project involves building an end-to-end machine learning alert system to
reduce false positives in transaction-level fraud detection, cutting unnecessary
manual reviews and improving operational efficiency across 470k+ merchant
clients.

J2 Group
Account Manager
March 2023 - December 2024 (1 year 10 months)
Melbourne, Victoria, Australia

Managed 12 concurrent B2B accounts end-to-end from SME's to Enterprise
accounts. This included outreach strategy, C-suite prospecting, performance
analysis, and retention. Ran multi-touch LinkedIn and email campaigns on
behalf of clients using LinkedIn Sales Navigator, Dripify, and Mailstand.

EY
Student Consultant
June 2022 - November 2022 (6 months)
Melbourne, Victoria, Australia

Led a 6-month engagement for EY, developing a go-to-market strategy for their internal productivity SaaS tool. Benchmarked competing platforms and built a strategic roadmap. Delivered the final recommendations directly to EY's client leadership team.

Brisk Corporate Catering

Digital Marketing Intern

June 2022 - October 2022 (5 months)

Fitzroy, Victoria, Australia

Supported digital marketing at a Melbourne-based corporate catering company. Managed Instagram content and ran A/B-tested campaigns to grow audience and engagement. Handled SEO optimisation and made website updates via WordPress.

University of Melbourne

Inter-Collegiate Activities Coordinator (ICAC)

August 2020 - June 2021 (11 months)

Melbourne, Victoria, Australia

- Planned large-scale events such as inter-collegiate dance competitions, Student Film viewings, and Online Talent Competitions with approximately 500 participants
- Prepared publications including social media posts and flyers to promote and publicise recreational activities to students

Seido Chemical Industry Co., Ltd.

Sales And Marketing Intern

November 2018 - December 2018 (2 months)

Osaka, Japan

Shadowed senior sales managers at a Japanese specialty metals manufacturer operating across APAC. Gained hands-on exposure to B2B pricing, contract negotiation, and strategic account management
